

Fill in the gaps

| Don't you (1) that it's boring how people talk? | I'll be the beauty queen in tears |
|---|--|
| Making smile with their words again | It's a new art form showing people |
| Well, I'm bored | How little we care |
| Because I'm doing (2) for the thrill of it | We're so happy, even when we're (8) out |
| Killing it | of fear |
| Never not chasing a million things I want | Let's go down to the tennis court |
| Inside I am only as young | And talk it up like yeah |
| As the minute is full of it | It looked alright in the pictures |
| Getting (3) up from the little bright things | Getting caught is half of the trip though, isn't it? |
| I bought, but I know they'll never own me | I fall apart with all my heart |
| Baby be the class clown | And you can watch from your window |
| I'll be the beauty queen in tears | hey, you can watch from your window |
| It's a new art form showing people | Baby be the class clown |
| How little we care | I'll be the beauty queen in tears |
| We're so happy, even (4) we're smiling out of fear | It's a new art form showing (9) |
| Let's go down to the tennis court | How little we care |
| And (5) it up like yeah | We're so happy, even when we're smiling out of fear |
| (6) soon I'll be getting on my first plane | Let's go down to the tennis court |
| I'll see the veins of my city like they do in space | And talk it up like yeah |
| But my head's filling up fast with the wicked games | And talk it up like yeah |
| Up in flames | And (10) it up like yeah |
| How can I f**k with the fun again | Let's go down to the tennis court |
| When I'm known? | And talk it up like yeah |
| And my boys (7) me up with their heads again | And talk it up like yeah |
| Loving them | And talk it up like yeah |
| Everything's cool when we're all in line for the throne | Let's go down to the tennis court |
| But I know it's not forever | And talk it up like yeah |
| Baby he the class clown | |
