

## Fill in the gaps

I didn't (1) to love	Wasted all my time and love on you
I was happy on my own	When (7) were rough
Wish I never had a taste of (2) sweet song	You used me up
I was rolling like a stone	Wasted love on you
Taking any road	All along I knew something was not right
There was something in the way	But I was hoping I could change your mind
You stopped me cold	All along no matter how I tried and tried
All the pretty words you said	You kept taking, taking
Slipped through my fingers just like sand	Taking every breath I had inside
Ever since that sorry day you took my hand	Wasted love
Wasted love	Wasted love
(3) love	Wasted all my time and all my (8) on you
Wasted all my time and all my love on you	(9) times were rough
When times were rough	You used me up
You (4) me up	Wasted love
Wasted (5) on you	Wasted love
Did you ever really see?	Wasted love
Was it ever really me?	Wasted all my time and all my (10) on you
Why did you keep me in a cage?	When times were rough
You should've set me free	You used me up
Because every single time you lied	Wasted love on you
Felt like a splinter in my pride	I wasted all my love on you
And if you had a heart now I know it wasn't mine	Wasted all my love on you
Wasted love	
(6) love
