

## Fill in the gaps

I didn't want to love	Wasted all my time and love on you
I was happy on my own	(17) (18) were rough
Wish I never had a (1) of your (2)	You (19) me up
song	(20) (21) on you
I was rolling (3) a stone	All along I knew something was not right
Taking any road	But I was hoping I could (22) your mind
There was something in the way	All along no matter how I tried and tried
You stopped me cold	You kept taking, taking
All the pretty words you said	Taking every breath I had inside
(4) through my fingers just like sand	(23) love
(5) since (6) sorry day you took my	(24) love
hand	Wasted all my time and all my love on you
(7) love	When times were rough
Wasted love	You used me up
Wasted all my (8) and all my love on you	Wasted love
When times (9) rough	Wasted love
You used me up	Wasted love
(10) love on you	Wasted all my time and all my love on you
Did you (11) really see?	When times (25) rough
Was it (12) really me?	You (26) me up
Why did you keep me in a cage?	Wasted (27) on you
You should've set me free	I wasted all my love on you
Because every (13) time you lied	Wasted all my love on you
Felt (14) a splinter in my pride	
And if you had a heart now I (15) it wasn't mine	
(16) love	
Wasted love
