

Fill in the gaps

Sitting here feeling (1) of crazy	It's 4 AM and my lover won't answer
But not just any crazy	He's probably somewhere (8) a dance
It's the kind you feel	Sipping champagne while I'm in his bed
When you love somebody	It's 4 AM and I think I might lose it
And I know that my baby	This mot*erfu*ker thinking I'm stupid
Is calling somebody else baby	He must have bumped his head
And I can't sit still	I only know it's 4 AM
Look how gone it got me	I don't deserve this life
Who knew (2) my heart could ever bruise	I'd make the perfect wife
You see this scar here on my chest	And I know love's a sacrifice
I'm hurting and he don't even care	Who's gonna sacrifice for me
It's 4 AM and my lover won't answer	And give me all the time that
He's probably somewhere with a dancer	Who knew that my heart could ever bruise
Sipping champagne while I'm in his bed	You see this (9) here on my chest
(3) 4 AM and I think I might (4) it	I'm hurting and he don't even care
This mot*erfu*ker thinking I'm stupid	It's 4 AM and my lover won't answer
He must have bumped his head	He's probably somewhere with a dancer
I (5) know it's 4 AM	Sipping champagne while I'm in his bed
Standing here and I'm getting heated	It's 4 AM and I think I might lose it
Pull me up a drink I swear I (6) it	This mot*erfu*ker thinking I'm stupid
I think I'ma about	He must have bumped his head
About to hurt somebody	I only know it's 4 AM
Swear this man is begging me to leave him	Sitting here feeling kind of crazy
Getting sick of being so mistreated	But not just any crazy
Another night without	It's the kind you feel
Without his arms around me	When you (10) somebody
Who knew that my heart could ever bruise	
You see this scar (7) on my chest	
I'm hurting and he don't even care	

Fill in the gaps

- 1. kind
