Sitting here (1) kind of crazy	It's 4 AM and my lover won't answer
But not (2) any crazy	He's (18) somewhere with a dancer
It's the kind you feel	Sipping champagne while I'm in his bed
(3) you love somebody	It's 4 AM and I (19) I might (20) it
And I (4) that my baby	This mot*erfu*ker thinking I'm stupid
Is calling somebody else baby	He must have bumped his head
And I (5) sit still	I only know it's 4 AM
Look how gone it got me	I don't deserve this life
Who knew that my heart could ever bruise	I'd make the perfect wife
You see this (6) here on my chest	And I know love's a sacrifice
I'm hurting and he (7) even care	Who's gonna (21) for me
It's 4 AM and my lover won't answer	And give me all the time that
He's probably somewhere with a dancer	Who knew that my (22) could ever bruise
Sipping champagne while I'm in his bed	You see this (23) here on my chest
It's 4 AM and I think I might lose it	I'm hurting and he don't even care
This mot*erfu*ker (8) (9)	It's 4 AM and my lover won't answer
stupid	He's probably somewhere (24) a dancer
He must have bumped his head	(25) champagne while I'm in his bed
I only know it's 4 AM	It's 4 AM and I (26) I might (27) it
(10) here and (11) getting	This mot*erfu*ker thinking (28) stupid
heated	He must have bumped his head
Pull me up a drink I swear I need it	I only know it's 4 AM
I think (12) about	Sitting here feeling kind of crazy
About to (13) somebody	But not (29) any crazy
Swear this man is begging me to leave him	It's the kind you feel
Getting sick of being so mistreated	When you love somebody
Another (14) without	
Without his arms (15) me	
Who knew that my heart (16) (17)	
bruise	
You see this scar here on my chest
