Gangsta's Paradise by Mentes peligrosas BSO (Coolio)

You want to tell me what this is all about?	I'm living life, do or die, what can I say?
As I walk (1) the valley of the	I'm 23 now, but will I live to see 24
2) of death	The way things are (18) I don't know
I take a look at my life	Tell me why are we, so blind to see
And realize there's not much left	That the ones we hurt, are you and me
Because I've been blasting and laughing so long	Been spending (19) their lives
That even my (3) (4) that my mind	Living in the gangsta's paradise
s gone	Been spending most their lives
But I ain't never crossed a man that didn't deserve it	Living in the gangsta's paradise
May be (5) like a punk	Keep spending most our lives
You know that's unheard of	Living in the gangsta's paradise
You (6) (7) how you're talking	Keep spending most our lives
And where you're walking	Living in the gangsta's paradise
Or you and your homies might be lined in chalk	Power and the money, money and the (20)
I really hate to (8)	(21) after minute, hour after hour
But I got to, loc	Everybody's running, but (22) of them ain't looking
As I (9) I see myself	
In the pistol smoke, (10)	What's going on in the kitchen
I'm the kinda G the little homies wanna be like	But I don't know what's (23)
On my knees in the night	They say I gotta learn,
Saying prayers in the streetlight	But nobody's here to teach me
Been (11) most their lives	If they can't understand it, how can (24) reach me
Living in the gangsta's paradise	I guess they can't, I guess they won't
(12) spending most their (13)	I guess they (25)
Living in the gangsta's paradise	That's why I know my life is out of luck, fool
Keep spending most our lives	Been (26) most their lives
Living in the gangsta's (14)	Living in the gangsta's paradise
Keep spending most our lives	Been spending most their lives
Living in the gangsta's paradise	Living in the gangsta's paradise
They got the situation	Keep (27) (28) our lives
They got me facing	Living in the gangsta's paradise
I can't live a normal life	Keep spending most our lives
I was raised by the stripes	Living in the gangsta's paradise
So I (15) be down with the hood team	Tell me why are we, so blind to see
Too much television watching got me chasing dreams	That the ones we hurt, are you and me
I'm an educated fool with money on my mind	Tell me why are we, so blind to see
Got my 10 in my hand and a gleam in my eye	That the one's we hurt, are you and me
I'm a loc'd out gangsta	
Set tripping (16)	
And my homies is down so don't arouse my anger, fool	
(17) ain't nothing but a heartbeat away
