

Yeah I've made up my mind leave everything behind

## Fill in the gaps

'm (1) move to Canada	I'll catch a plane, fly away from this rain
Yeah I've made up my mind leave everything behind	After Canada the USA is a piece of cake
I'll catch a plane, fly away from this rain	All the sales records I'll break
I'm gonna move to Canada	"The best thing since the Beatles"
I'm gonna meet Neil Young	Is what Rolling (8) will write
I just know we'll get along	With my guitar and band
Show up at his house	I will conquer every town
Convince him and his spouse	I'll conquer every town
I'll pick up my guitar and play	I'II (9) every town
A couple of my songs	Me, the singing rock and roll, rock and roll clown
A couple of my songs	I still wanna move to Canada
A couple of my songs	But for now I'll just stay here
That I'll (2) at the top of my lungs	I think it's best for my career
I'm gonna move to Canada	When I get home from the office
Yeah I've made up my (3) leave	Where I've worked all my life
(4) behind	I pick up my guitar and play
I'll catch a plane, fly (5) from this rain	A couple of my old songs
Mister (6) will be impressed	A couple of my old songs
And (7) me a record deal	A couple of my old songs
And tell me to call him Neil	And I think: "Damn"
We'll have a ball	"Neil Young would have loved these songs"
Until Canada's too small	And he might have loved these songs
Then I'll pack up my guitar and I	Maybe next year
Will move to the US	Maybe (10) year
I'll move to the US	Maybe next year
I'll move to the US	
To be a sensational succes	
I'm gonna move to Canada
