

She's too blue-eyed

## Fill in the gaps

Possibly
(1) again
She couldn't be
One, two, she knows kung foo
Three, four, kicked in my door
Five, six, I can't believe it
What a mess I'm in
She might she might
She might shake up everything I am
She might she might
She might make me do the best I can
What has she done
We (2) be the
She might be the one
I'm into deep,
Probably
Then again,
How could I be?
One, two, she (3) got through
Three, four, what an uproar
Five six she moves me out
And throws me to the wind

She might she might		
She might shake up everything I am		
She might she (4)		
She might (5) me do the (6)	I can	
What has she done		
She might be her		
She might be the one		
Her eyes are (7)	like	а
(8) sun		
Oh, the countdown has begun		
Five, four, three, two, one		
She might she might		
She might shake up everything I am		
She might she might		
She might make me do the best I can		
What has she done		
What has she done		
She might she (9)		
She might be her,		
She might be the one,		
Be the one
