

Fill in the gaps

Don't know what you think you saw		
You didn't (1) a	t all	
Lost sight of who you are		
Came to make a connection		
Force myself in a dimension		
Lost sight of myself		
If I could force my heart, my ears, my mind		
And eyes to get in line		
(2) I'd find so	mething real	
Not a fantasy so divine		
Let myself down each time		
Let myself down each time		
How could you be what I want to see?		
How (3) you	be what I want to see?	
How (4) you	be what I (5)	to see
When my reality		
Could never live up, could never live up		
To the fantasy?		
Revolution from dissolution		
(6)	and demoralizing	

Pressure of the future, too n	nuch for today		
How many (7)	will I let slip away		
Before I realize existing and living			
Are not the same?			
Are not the same			
How could you be what I want to see?			
How could you be (8)	I want to see?		
How could you be what I (9) to see		
When my reality			
Could never live up, could never live up			
To the fantasy?			
How, how, how?			
How could you be what I wa	ant to see?		
How could you be what I want to see?			
How could you be what I wa	ant to see		
When my reality			
Could never live up, could never live up			
To the fantasy?
