

## Fill in the gaps

You got high off my devotion
We (1) as you crutch
Black, some sick of potion
I was (2) to your touch
(3) (4) (5) the
misplaced way
Had the burden of hate
The (6) of decay
I still think of you
And all the (7) you put me through
And I (8) you were wrong
I (9) think of you
And all the sh*t you put me through
And I know now, I (10) you were wrong
You made pain (11) lover
Infidelity not discrete
I knew you found another
How (12) I compete?
(13) words cover me (14) dust
I waited to know for sure
You only give up as last
l still (15) of you
And all the (16) you put me through

And I know you were wrong	
I still (17) of you	
And all the sh*t you put me through	
And I know now, I know you were wron	ıg
Dark clouds follow you around	
Your own (18) enemy	
You only (19) me u	up to bring me down,
down, down	
I (20) think of you	
And all the sh*t you put me through	
And I know you were wrong	
I (21) think of you	
And all the (22) you put me	through
And I know now, I know you were wron	ıg
I (23) think of you	
And all the sh*t you put me through	
And I know you were wrong	
I still (24) of you	
And all the sh*t you put me through	
And I know now, I know you were wron	ıg
