Didn't (1) what this (2) be	My lips sealed
But I knew I didn't see	My heart closed
What you (3) you saw in me	And my (9) peeled
I jumped the gun	Welcome to the inner workings of my mind
So sure you'd split and run	So dark and foul I can't disguise, can't disguise
Ready for the worst (4) the damage was	Nights like this I become afraid
done	Of the darkness in my heart
The storm never came	Hurricane
Oh, it never was	Make ash and leave the dust behind
Didn't know (5) lost in the blue	Lady "diamond in the sky"
He damned how I ran after losing you	Wild light, glowing bright
(6) to the inner (7) of	To guide me when I fall
my mind	I fall on tragedy
So dark and foul I can't disguise, can't disguise	(10) to the inner workings of my mind
Nights like (8) I become afraid	So dark and foul I can't disguise, can't disguise
Of the darkness in my heart	Nights like this I become afraid
Hurricane	Of the darkness in my heart
What's wrong with me	Hurricane
Why not understand and see	
I never saw	
What you saw in me
