

Fill in the gaps

Didn't know what (1) would be	My lips sealed
But I (2) I didn't see	My heart closed
What you (3) you saw in me	And my eyes peeled
I jumped the gun	Welcome to the inner (8) of my mind
So sure you'd split and run	So dark and foul I can't disguise, can't disguise
Ready for the (4) before the damage was done	Nights like this I become afraid
The storm (5) came	Of the darkness in my heart
Oh, it never was	Hurricane
Didn't know getting lost in the blue	Make ash and leave the dust behind
He damned how I ran after losing you	Lady "diamond in the sky"
Welcome to the inner workings of my mind	(9) light, glowing bright
So (6) and foul I can't disguise, can't disguise	To guide me when I fall
Nights like this I become afraid	I fall on tragedy
Of the darkness in my heart	Welcome to the inner workings of my mind
Hurricane	So dark and (10) I can't disguise, can't disguise
What's (7) with me	Nights like this I become afraid
Why not understand and see	Of the darkness in my heart
I never saw	Hurricane
What you saw in me	
Keep my eyes open
