

It's empty in the valley of your heart

Fill in the gaps

The sun, it rises (1) as you walk
Away from all the fears and all the faults
You've left behind
The harvest left no food for you to eat
You cannibal, you meat-eater, you see
But I have seen the same
I know the shame in your defeat
But I'll hold on hope
And I won't let you choke
On the noose around your neck
And I'll find strength in pain
And I will change my ways
I'll know my name as it's called again
Because I have other things to fill my time
You take what is yours and I'll take mine
Now let me at the truth
Which will refresh my broken mind
So tie me to a post and block my ears
I can see widows and orphans through my tears
I know my call despite my (2)
And (3) my growing fears
But I will hold on hope

And I won't let you choke	
On the noose around your neck	
And I'll find strength in pain	
And I will change my (4)	
I'll (5) my name as it's called again	
So come out of your cave (6)	on your
hands	
And see the world hanging upside down	
You can (7) dependence	
When you know the maker's land	
So make your siren's call	
And sing all you want	
I will not hear what you have to say	
Because I need freedom now	
And I need to know how	
To live my life as it's meant to be	
And I will (8) on hope	
And I won't let you choke	
On the noose around your neck	
And I'll find strength in pain	
And I will change my ways	
I'll know my (9) as it's called again
