

When darkness falls			
And surrounds you			
(1) you fall down			
When you're scared			
And you're lost			
Be brave			
I'm (2) to hold you not			
When all your strength has gone			
And you (3) wrong			
Like your life has slipped away			
Follow me			
You can follow me			
And I			
I will not desert you now			
When (4) fire's died out			
No one's there			
They have left you for dead
