

Fill in the gaps

Hush, don't speak	I'm (14) my ears like a kid
When you spit your venom	When (15) words mean nothing
Keep it (1) I (2) it	I go la, la, la
(3) you hiss and preach	I'm (16) up the volume (17) yo
About your new messiah	speak
Because (4) (5) catch fire	Because if my heart can't stop it
I can't find	I find a way to block it
Your silver lining	I go la, la, la
I don't mean to judge	I find a way to block it
But when you read your speech	I go la, la, la
It's tiring, enough is enough!	I (18) a way to block it
I'm covering my ears like a kid	I find a way to block it
When your words mean nothing	I go la, la, la
I go la, la, la	I'm covering my ears like a kid
I'm turning up the volume when you speak	When (19) words mean nothing
(6) if my heart can't stop it	I go la, la, la
I find a way to (7) it	I'm turning up the volume when you speak
I go la, la, la	(20) if my heart can't stop it
I find a way to block it	I find a way to (21) it
I go la, la, la	I go
If our love is running out of time	I'm covering my ears like a kid
I won't (8) the hours, rather be a coward	When (22) words mean nothing
(9) our words collide	I go la, la, la
I'm (10) you out before I lose	I'm turning up the volume when you speak
my mind	Because if my (23) can't stop it
I can't find your (12) lining	I find a way to block it
I don't mean to judge	I go
But when you read (13) speech	
It's tiring, enough is enough
