Vaulta just the status	Dut if you take this heak
You're just the statue	But if you take this back
Of the boy I used to know	I'll be waiting to come alive, come alive
You're just the tattoo	If you turn your back I'll be waiting to fly
Of the words (1) we once spoke	But you're like the falling leaves
You're the dry river	Whilst I'm still the oak tree
Where (2) used to flow	Because you're the one who leaves
But it stills runs through me	Now I'm falling asleep
With you it had to go	You're like the broken keys
But if you take this back	Whilst I'm just a broken home
I'll be waiting to come alive, come alive	Because as I breathe in deep
If you turn your (3) I'll be waiting to fly	You're looking at me like a statue
But you're like the falling leaves	Of the boy I (4) to know
Whilst I'm still the oak tree	I'll watch you fall to the ground

Now I'm falling asleep	now
Now I'm falling asleep You're like the broken keys	now We had it all till we found
