

Watch to the light

Fill in the gaps

It won't save you tonight
All our (1) is
Pictures lost in time
Never enough, towers crumble to dust
Looking back on the moments of our lives
All your anger, all your hurt
It doesn't matter in the end
Those days go by and we all start again
What you had and what you lost
They're all memories in the wind
Those days go by and we all start again
Stars still burn bright
Seasons change overnight
As we find a way
The times they come and go
Look back in love, a new day (2) above
(3) no end it comes, to carry you back hom
All your anger, all your hurt

It doesn't matter in the end
(4) days go by and we all (5)
again
What you had and (6) you lost
They're all memories in the wind
Those days go by and we all start again
Days go by
All your anger, all your hurt
It doesn't matter in the end
Those days go by and we all start again
What you had and (7) you lost
They're all memories in the wind
(8) days go by and we all start again
What you had, what you lost
What you had, what you lost
(9) days go by
Those days go by
(10) days go by
