(1) to the light	It doesn't matter in the end
It won't save you tonight	Those days go by and we all start again
All our lesson is	What you had and what you lost
Pictures lost in time	They're all memories in the wind
(2) enough, (3) crumble to dust	Those days go by and we all start again
Looking back on the moments of our lives	Days go by
All your anger, all your hurt	All your anger, all your hurt
It doesn't matter in the end	It doesn't (7) in the end
Those (4) go by and we all start again	Those days go by and we all start again
What you had and what you lost	What you had and what you lost
They're all memories in the wind	They're all memories in the wind
Those days go by and we all start again	Those days go by and we all start again
Stars still burn bright	(8) you had, what you lost
(5) change overnight	What you had, what you lost
As we find a way	(9) days go by
The times they (6) and go	Those days go by
Look back in love, a new day rises above	Those days go by
With no end it comes, to carry you back home	
All your anger, all your hurt
