Fill in the gaps

You're gonna go far, kid by Offspring

Show me how to lie	Show the light of day
You're getting better all the time	Nice work you did
And turning all against the one	You're gonna go far, kid
Is an art that's hard to teach	Trust, deceived
Another clever word	With a thousand lies
Sets off an unsuspecting herd	And a good disguise
And as you step back into line	Hit them right between the eyes
A mob jumps to their feet	Hit them right between the eyes
Now dance, fuc*er, dance	When you walk away
Man, he never had a chance	Nothing more to say
And no one (1) knew	See the lightning in your eyes
It was really only you	See (7) running for their lives
And now you steal away	Now dance, fuc*er, dance
Take him out today	He never had a chance
Nice work you did	And no one even knew
You're gonna go far, kid	It was really only you
With a thousand lies	So dance, fuc*er, dance
And a good disguise	I never had a chance
Hit (2) right between the eyes	It was really only you
Hit them right between the eyes	With a thousand lies
When you walk away	And a good disguise
Nothing more to say	Hit them right between the eyes
See the (3) in (4) eyes	Hit them right between the eyes
See them running for their lives	When you (8) away
(5) out of line	Nothing more to say
And drifting closer in your sights	See the (9) in your eyes
So play it out I'm wide awake	See them running for their lives
It's a scene about me	Clever alibis
There's something in your way	(10) of the flies
And now someone is gonna pay	Hit them right between the eyes
And if you can't get what you want	Hit them right between the eyes
Well it's all because of me	When you walk away
Now dance, fuc*er, dance	Nothing more to say
Man, I never had a chance	See the lightning in your eyes
And no one even knew	See them running for their lives
It was really (6) you
