## Like A Rolling Stone by Bob Dylan

the jugglers and the clowns

## Fill in the gaps

Once upon a time you dressed so fine		When they all did tricks for you
Threw the bums a dime in your prime, didn't you?		You never (5) that it ain't no good
People call, say, 'Beware doll, you're bound to fall'		You shouldn't let other people get your kicks for you
You thought they were all kiddin' you		You used to ride on the chrome horse with your diplomat
You used to laugh about		Who carried on his shoulder a Siamese cat
Everybody that was hangin' out		Ain't it hard (6) you discover that
Now you don't talk so loud		He really wasn't where it's at
Now you don't seem so proud		After he took (7) you everything he could steal.
About having to be scrounging (1) next meal.		How does it feel
How does it feel		How does it feel
How does it feel		To be on your own
To be without a home		With no direction home
Like a complete unknown		Like a complete unknown
Like a rolling stone?		Like a rolling stone?
Ah,you've gone to the finest school all right, (2)		Ah, princess on the steeple and all the (8)
Lonely		people
But you know you only used to get juiced in it		They're all drinkin', thinkin' that (9) got it made
Nobody's ever taught you how to live out on the street		Exchanging all precious gifts
And now you're gonna have to get used to it		But you'd better take your diamond ring, you'd better pawn it
You say you never compromise		babe
With the mystery tramp, but now you realize		You used to be so amused
He's not selling any alibis		At Napoleon in rags and the language that he used
As you (3)	_ into the vacuum of his eyes	Go to him now, he calls you, you can't refuse
And say do you want to make a deal?		When you got nothin', you got nothin' to lose
How does it feel		You're invisible now, you got no secrets to conceal.
How does it feel		How does it feel
To be on your own		Ah, how does it feel
With no direction home		To be on your own
A complete unknown		With no direction home
Like a rolling stone?		Like a complete unknown
Ah, you (4)	turned around to see the frowns on	Like a (10) stone?
