

Fill in the gaps

(1) don't mark my words	Stay please (13)
I can't (2) how long, how fast	You couldn't go just (14) that
How deep, how (3) this (4) flows	Couldn't we backtrack?
As I leave those crimson lips	(15) (16) stay
(5) dalton eyes I hear	I can't stomach this
Stay please stay	How (17) you (18) and say
You couldn't go just (6) that	goodbye
Couldn't we backtrack?	(19) a bag on your back
Stay please stay	And not a (20) in your eye?
I can't (7) this	Stay please (21)
How could you give our (8) up	You couldn't go just like that
For a fool's dream in an empty cup?	Couldn't we backtrack?
(9) moon (10)	Stay please stay
It's light for all to see	I can't stomach this
It comes it goes (11) tired fools	What can I do with a love
With simplicity washed to (12)	That (22) dust in a (23) room?
Upon this beach it tears for me, oh no
