Something I need by One Republic

I had a dream the other night
About how we only get one life
Woke me up right after two
I (1)_____ awake and stared at you
So I wouldn't lose my mind
And I had the week that came from hell
And yes, I (2)_____ that you could tell
But you're like the net under the ledge
When I go flying off the edge
You go flying off as well
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
Last (3)_____ I think I drank too much
Call it our temporary crunch
With broken words I've tried to say it
(4)_____ don't you be afraid
If we got nothing, we got us
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got (5)_____ I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
I know that we're not the same
But I'm so damn glad
That we (6)_____ it to this time, this time
You got something I need
Yeah, in (7)_____ world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this (8)_____ full of people
There's one killing me
And if we only die once
I (9)_____ to die with you
If we only die once
I want to die with...
If we only live once
I want to live with you
