Something I need by One Republic

Fill in the gaps

I had a dream the other night		
About how we only get one life		
Woke me up right after two		
I stayed awake and stared at you		
So I wouldn't lose my mind		
And I had the (1) that came from hell		
And yes, I (2) that you could tell		
But you're like the net under the ledge		
When I go flying off the edge		
You go flying off as well		
And if you only die once		
I (3) to die with		
You got something I need		
In this world full of people		
There's one killing me		
And if we only die once		
I want to die with you		
You got something I need		
In this world full of people		
There's one (4) me		
And if we only die once		
I want to die with you		
(5) (6) I think I drank too much		
Call it our temporary crunch		
With broken words I've tried to say it		
Honey don't you be afraid		
If we got nothing, we got us		
And if you only die once		
I want to die with		
You got something I need		
In this world full of people		
There's one killing me		

And if we only die once	
I want to die with you	
You got something I need	
In this world (7)	of people
There's one killing me	
And if we only die once	
I want to die (8)	you
I know that we're not the sa	ame
But I'm so damn glad	
That we made it to this tim	e, this time
You got something I need	
Yeah, in this world full of p	eople
There's one killing me	
And if we only die once	
I want to die with you	
You got something I need	
In this world (9)	of people
There's one killing me	
And if we only die once	
I want to die with you	
You got something I need	
In this world full of people	
There's one killing me	
And if we only die once	
I want to die with you
