

This could really be a good life, good life

Fill in the gaps

Woke up in London yesterday			Say oh, got this feeling that you can't fight		
Found myself in the city near Piccadilly			Like this city is on fire tonight		
Don't (1) know how I got here			This could really be a good life, a good, good life		
I got some pictures on my phone			A good (7) life		
New names and numbers that I don't know			Hopelessly		
Address to places like Abbey Road			I (8) like there might be something that I'll miss		
Day turns to night,			Hopelessly		
night turns to whatever we want			I feel like the window closes so quick		
We're young enough to say:			Hopelessly		
Oh this has gotta be the good life			I'm taking a mental picture of you now		
This has gotta be the good life			Because hopelessly		
This (2)	(3)	be a good life, good	The hope is we have so (9) to feel go	ood about	
life			Oh this has gotta be the good life		
Say oh, got this feeling that you can't fight			This has gotta be the good life		
Like this city is on fire tonight			This could really be a good life, good life		
This could really be a good life a good, good life			Say oh, got this feeling that you can't fight		
To my friends in New York, I say hello			Like this city is on fire tonight		
My (4) in L.A. they don't know			This could really be a (10) life, a goo	d, good life	
Where I've been for the past few (5) or so			a good, good life		
Paris to China to Colorado			To my friends in New York, I say hello		
Sometimes there's airplanes I can' t jump out			My friends in L.A. they don't know		
Sometimes there's bullshit that don't work now			Where I've been for the past few years or so		
We are good of stories but please tell me			Paris to China to Col-or-ado		
What there is to complain about			Sometimes there's airplanes I can' t jump out		
(6) you're happy like a fool			Sometimes there's bullshit that don't work now		
Let it take you over			We are god of stories but please tell me		
When everything is out			What there is to complain about		
You gotta take it in					
Oh this has gotta be t	the good life				
This has gotta he the	good life
