

Fill in the gaps

Woke up in London yesterday	Say oh, got (13) feeling that you can't fight
Found (1) in the city near Piccadilly	Like this city is on (14) tonight
Don't really know how I got here	This (15) really be a good life, a good, good life
I got (2) pictures on my phone	A good good life
New names and numbers that I don't know	Hopelessly
Address to places (3) Abbey Road	I feel (16) there might be something that I'll miss
Day turns to night,	Hopelessly
night (4) to (5) we want	I (17) like the window closes so quick
We're young enough to say:	Hopelessly
Oh this has gotta be the good life	I'm taking a mental picture of you now
This has gotta be the (6) life	Because hopelessly
This could really be a good life, good life	The (18) is we have so much to (19)
Say oh, got this feeling that you can't fight	good about
Like this city is on fire tonight	Oh this has gotta be the good life
(7) could really be a good life a good,	This has gotta be the (20) life
(8) life	This could really be a good life, good life
To my friends in New York, I say hello	Say oh, got this feeling that you can't fight
My (9) in L.A. they don't know	Like this city is on fire tonight
Where I've been for the past few years or so	This (21) really be a good life, a good, good life
Paris to China to Colorado	a good, good life
Sometimes there's airplanes I can' t (10) out	To my (22) in New York, I say hello
Sometimes there's bullshit that don't work now	My friends in L.A. they don't know
We are good of stories but please tell me	Where I've been for the (23) few years or so
What there is to complain about	(24) to China to Col-or-ado
(11) you're happy (12) a fool	Sometimes there's airplanes I can' t jump out
Let it take you over	(25) there's bullshit that don't work
When everything is out	now
You gotta take it in	We are god of stories but please tell me
Oh this has gotta be the good life	(26) there is to complain about
This has gotta be the good life	
This could really be a good life, good life
