

Fill in the gaps

I've been feeling real good	and (5) out the rest when I etch out a plan
Came a long way from misunderstood	Tonight is the night, is the (6) that we're losing
Far (1) from the days where I wouldn't wanna go	control
nome	Tonight is the night, is the night we set it off
Because I was afraid of the truth	Everybody go
See I was scared to admit	(7) go
that failing was in the back of my head	I'm (8) better than I ever thought
Comes a point when (2) no longer works	it's possible but now I know
so you have to stand up for how you want to live	I'm feeling better (9) I ever did
Tonight is the night, is the night that we're losing control	Impossible don't exist
(3) is the night is the night we set it off	No, impossible don't exist
Everybody go	Everybody go
Everybody go	Everybody go
And I don't know better	Everybody go
but as far as I came it felt like forever	Tonight is the night, is the night that we're losing control
Seconds turn to hours days turn to months	Tonight is the night is the night we set it off
Another year pass by	Tonight is the night is the night that we're (10)
But don't feel like much	control
So if I got one chance	Tonight is the night is the night we set it off
motherf**ker I'm gonna make you all dance	
I'm gonna (4) as much fun as I can
