Switch on the sky and the stars glow for you
Go see the world because it's all so brand new
Don't close your eyes because your future's ready to shine

Welcome to the rhythm of the night
There's something in the air you can't deny
It's been fun but now I've got to go
Life is way too short to take it slow
But before I go and hit the road
I gotta know, till then
