

Fill in the gaps

Well, I tried to (1) it	I tried to let it fade
Baby, I tried to break it	But I can't get away
But that's some (2) of (3) you got	I really (14) you're listening
over me	Because I never (15) I would say
You're a heavenly vision	I can't help myself from falling in love
Going to (4) it my mission	From (16) in love with you, yeah
Do whatever it takes to get you with me	I can't help myself from taking the drug
Everywhere I go	From taking the drug
Yeah, no one else I know	It's you, yeah
That shines as (5) as you in my telescope	It happens every time
I (6) to let it fade	Can't get you off my mind
But I can't get away	And anybody else better wait in line
I (7) (8) you're listening	I can't help (17) (18) falling in love
Because I never thought I would say	From falling in love (19) you, yeah
I can't help (9) from falling in love	They told me "Son, you'll be addicted"
From falling in love with you, yeah	You (20) a kiss
I can't help myself from taking the drug	And now I see it
From taking the drug	You're in my veins
It's you, yeah	And I can feel it
It happens every time	Taking over me
Can't get you off my mind	I can't help myself from falling in love
And anybody else better wait in line	(21) falling in love with you, yeah
I can't help myself from falling in love	I can't (22) myself from taking the drug
From falling in love with you, yeah	From (23) the drug
Every time you come calling	It's you, yeah
Didn't think I'd be falling	It (24) every time
Never thought It'd be you	Can't get you off my mind
I would always needed	And anybody else (25) in line
Love was (10) to run from	I can't help myself from falling in love
I was (11) the last one	From falling in love with you, yeah
(12) everyone thought would be in this dream	
(13) I go	
Yeah, no one else I know	
That shines as bright as you in my telescope
