

Golden leaves by Passenger

Do you remember how this first begun?
Teeth (1)_____ white and our skin was young
Eyes as bright as the Spanish sun
We had nothing we could hide
Now my dear we are two golden leaves
Clinging desperately to (2)_____ trees
(3)_____ up here like a pair of thieves
While the sirens blare outside
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
Do you remember how this (4)_____ out?
So full of hope but now we're filled with doubt
A dirty joke we used to laugh about

Fill in the gaps

But it's not (5)_____ anymore
I fear I'll choke unless I spit it out
(6)_____ smell of smoke although the fire's
(7)_____ out
Can't live with you but I'd die without
So what's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break (8)_____ our (9)_____ are

But sometimes
