

## Fill in the gaps

Do you remember how this first	begun?
Teeth were white and our skin v	was young
Eyes as bright as the Spanish sun	
We had nothing we could hide	
Now my dear we are two golden leaves	
Clinging desperately to (1)	trees
Held up here (2) a p	air of thieves
While the sirens blare outside	
What's left to say when every word's been spoken	
What's left to see when our eyes won't open	
What's left to do when we've lost all hope and	
What's left to break when our hearts are broken	
But sometimes	
Do you remember how this (3)	out?
So full of hope but now we're filled with doubt	
A dirty joke we used to (4)	about

But it's not funny anymore
I fear I'll choke unless I spit it out
Still smell of smoke although the fire's gone out
Can't live with you but I'd die without
So what's (5) to say when every word's been
spoken
What's left to see when our eyes won't open
What's left to do when we've (6) all hope and
What's left to break when our hearts are broken
But sometimes
What's left to say when every word's been spoken
What's (7) to see (8) our eyes won't
open
What's left to do (9) we've lost all hope and
What's left to break when our (10) are broken
But sometimes
