| Teeth were white and our skin was young | Still (13) of smoke although the fire's gone out |
| Eyes as bright as the Spanish sun | Can't live with you but I'd die without |
| We had nothing we (4) hide | So what's (14) to say when (15) |
| Now my dear we are two golden leaves | word's (16) spoken |
| Clinging desperately to winter trees | What's left to see (17) our eyes won't open |
| Held up here like a pair of thieves | What's left to do (18) we've lost all hope and |
| While the sirens blare outside | What's (19) to break when our |
| What's left to say (5) every word's been spoken | (20) are broken |
| What's left to see (6) our (7) won't | But sometimes |

| What's left to do when we've lost all (8) and | (23) spoken |
| What's (9) to break when our hearts are broken | What's (24) to see when our eyes won't open |
| But sometimes | What's left to do when we've (25) all |
| Do you remember how this started out? | (26) and |
| So full of hope but now we're filled with doubt | What's (27) to break when our hearts are broken |
| A dirty joke we (10) to (11) about | But sometimes |
