

Golden leaves by Passenger

Do you (1)_____ how this first begun?
Teeth were white and our skin was young
Eyes as bright as the Spanish sun
We had nothing we could hide
Now my dear we are two golden leaves
Clinging desperately to (2)_____ trees
Held up here like a pair of thieves
While the sirens blare outside
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break (3)_____ our hearts are broken
But sometimes
Do you remember how this started out?
So (4)_____ of hope but now we're filled with doubt
A dirty joke we (5)_____ to laugh about

Fill in the gaps

But it's not funny anymore
I fear I'll choke unless I spit it out
Still (6)_____ of smoke although the fire's gone out
Can't live with you but I'd die without
So what's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our (7)_____ are broken
But sometimes
What's left to say when every word's been spoken
What's (8)_____ to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to (9)_____ when our hearts are broken
But sometimes

Fill in the gaps
