

Fill in the gaps

Golden leaves by Passenger

Do you remember how this first begun?

Teeth were white and our skin was young

Eyes as bright as the Spanish sun

We had nothing we could hide

Now my dear we are two golden leaves

(1)_____ desperately to (2)_____

trees

Held up here like a pair of thieves

While the sirens blare outside

What's left to say when every word's been spoken

What's left to see when our eyes won't open

What's (3)_____ to do when we've lost all hope and

What's left to break when our (4)_____ are broken

But sometimes

Do you remember how this started out?

So full of hope but now we're filled with doubt

A dirty (5)_____ we used to laugh about

But it's not (6)_____ anymore

I (7)_____ I'll (8)_____ unless I spit it out

Still smell of smoke although the fire's gone out

Can't live with you but I'd die without

So what's left to say when every word's been spoken

What's left to see when our eyes won't open

What's left to do when we've lost all hope and

What's left to break when our hearts are broken

But sometimes

What's left to say when every word's been spoken

What's left to see when our eyes won't open

What's left to do (9)_____ we've lost all hope and

What's left to break when our hearts are broken

But sometimes
