Do you (1)	now this first begun?	But it's not
Teeth were white and our skin was young		I fear I'll ch
Eyes as bright as the Spanish sun		Still smell
We had nothing we could hide		Can't live v
Now my dear we are two golden leaves		So what's
Clinging desperately to winter trees		What's left
Held up here like a pair of thieves		What's left

What's (4) to say (5	5) every word's been	But someti
spoken		What's left
What's left to see when our eyes won't open		What's left
What's left to do when we've lost all hope and		What's left
What's left to break when our hearts are broken		What's left
But sometimes		But someti
Do you remember how this started out?		
So full of hope but now we're filled with doubt		
A dirty joke we used to laugh about		

But it's not funny anymore		
I fear I'll choke unless I spit it out		
Still smell of smoke although the fire's gone out		
Can't live with you but I'd die without		
So what's left to say (6) every word's been spoker		
What's left to see when our eyes won't open		
What's left to do (7) we've lost all hope and		
What's left to break when our hearts are broken		
But sometimes		
What's left to say when every word's been spoken		
What's left to see when our eyes won't open		
What's left to do when we've lost all (8) and		
What's left to break when our hearts are broken
