The wrong direction by Passenger

How much greener the grass is

When I was a kid the things I did Were hidden under the grid Young and naive I never believed That love could be so well hid With regret I'm willing to bet And say the older you get It gets harder to forgive and harder to forget It gets under your shirt like a dagger at work The first cut is the deepest But the rest still flipping hurt You (1)_____ your heart of plastic Get cynical and sarcastic And end up in the corner on your own Because I'd love to feel love But I can't stand the rejection I hide (2)___ ____ my jokes As a form of protection I thought I was close but under (3) inspection It seems I've been running in the wrong direction oh no So what's the point in getting your hopes up? When all you're ever getting Is choked up When you're coked up And can't remember the reason why you broke up You call her in the morning When you're coming down and falling Like an old man on the side of the road Because when you're apart you don't want to mingle When you're together you want to be single Ever the chase to (4)_____ the kiss of bliss (5)_____ made your heart tingle

With those rose (6) glasses
But the butterflies (7) flutter by
And leave us on our arses
Because I'd love to feel love
But I can't stand the rejection
hide behind my jokes
As a form of protection
thought I was close but under further inspection
t seems I've been running in the wrong direction
There's fish in the sea for me to make a selection
'd jump in if it wasn't for my ear infection
Because all I want to do is try to make a connection
t seems I've been running in the wrong direction oh
'd love to feel love but I can't stand the rejection
hide behind my jokes
As a form of protection
thought I was close but under further inspection
t seems I've been running in the wrong direction
'd love to feel love but I can't stand the rejection
hide behind my jokes
As a form of protection
And I thought I was close but under further inspection
t seems I've been running in the wrong direction oh
It seems (8) I'm running in the (9)
lirection oh
Seems like I'm running in the wrong direction oh
Well it seems I've been running in the wrong direction oh no
Seems I've been running in the wrong direction
