

Fill in the gaps

Well we'll (1) for that's how it begins	Because hearts won't buy love
We'll embrace just to warm our skins	And nor will they sell
I'll think of her and you'll think of him	And there is no love in this hotel
And we'll (2) to keep	Though we're walking home we know too well
The (3) our ears	We are both lost
And we'll laugh because we're so close to tears	We are both lost
We're just lonely, you know	And we won't be found
That's why we're here	She was my compass
(5) you don't (6) like you	He was your map
should	We've come too far to be turning back
And you don't fit in my arms like she would	And we'll sit on our single beds
Lying in the dark, it's understood	Nothing on our hearts
We are both lost	And tears on our threads
And we won't be found	For we know
We will wake up with each other in our paws	The last unicorn is dead
You cover over white bits	
Like I've not seen (7) before	
We'll say goodbye and (8) we'll say no more
