

## Fill in the gaps

Well, last night I couldn't sleep	Because it hit me with no warning
I got up and started walking	Like a summer sky storming in my lungs
Down to the end of my street	Ain't it funny how the kids walk by
And on into town	They'll do anything to make themselves (7) olde
Well I had no one to meet	While the women spend their money
And I had no (1) for talking	On anything that makes (8) look young
Seems I'm talking my whole life	Like a stone
It's time I listen now	We're carried on the river
Well, I walked I passed the late night boys	Like a boat
With their bottles in the doorways	Sailing on the sea
And I walked I passed the business men	Oh I'll keep on walking
Sleeping (2) babies in their cars	Well, I'll keep on walking
And I thought to myself oh son	Till I find that old love
You may be lost in more ways than one	Or that old love comes to find me
But I've a feeling that it's more fun	Well, I'm like a stone
(3) knowing exactly where you are	And I'm carried on the river
Like a stone	Like a boat
Carried on the river	Sailing on the sea
Like a boat	Oh well, I'll keep on walking
(4) on the sea	Well, I said I'll keep on walking
Well I'll (5) on walking	Till I find that old love
Oh I'll keep on walking	Or (9) old love comes to (10) me
Till I find that old love	Till I find that old love
Or that old love comes to find me	Or that old love comes to find me
Well, I (6) into the morning	
And felt the warm sunlight forming on my shoulders
