

Fill in the gaps

Well, last night I (1) sleep	Because it hit me with no warning
I got up and started walking	Like a summer sky (15) in my lungs
Down to the end of my street	Ain't it funny how the kids walk by
And on into town	They'll do anything to make themselves look older
(2) I had no one to meet	While the women spend their money
And I had no taste for talking	On anything that makes them look young
Seems I'm talking my whole life	(16) a stone
It's time I listen now	We're carried on the river
Well, I walked I (3) the (4) night	(17) a boat
boys	Sailing on the sea
(5) (6) bottles in the doorways	Oh l'll (18) on walking
And I walked I (7) the business men	Well, I'll keep on walking
Sleeping like babies in their cars	Till I find that old love
And I thought to myself oh son	Or (19) old love (20) to find me
You may be lost in more (8) than one	Well, I'm like a stone
But I've a feeling that it's more fun	And I'm carried on the river
(9) knowing (10) where you are	Like a boat
Like a stone	Sailing on the sea
Carried on the river	Oh well, I'll keep on walking
Like a boat	Well, I said I'll keep on walking
Sailing on the sea	Till I find (21) old love
Well I'll keep on walking	Or that old love comes to find me
Oh I'll keep on walking	Till I find (22) old love
Till I (11) that old love	Or (23) old love comes to find me
Or (12) old love (13) to find me	
Well, I walked into the (14)	
And felt the warm sunlight forming on my shoulders
