Fill in the gaps

50 ways to leave your lover by Paul Simon

"The problem is all inside your head", she said to me		I could do to make you smile again	
The answer is easy if you take it logically		I said I appreciate that and would you please explai	
I'd like to help you in your struggle to be free		About the fifty ways	
There must be fifty ways to leave (1) lover		She said	
She said it's (2) not my habit to intrude		why don't we both just sleep on it tonight	
Furthermore, I hope my meaning		And I (9)	in the morning
won't be lost or misconstrued		you'll begin to see the light	
But I'll repeat myself, at the risk of being crude		And then she kissed me	
There must be (3)	ways to leave your lover	and I realized she probably was right	
Fifty (4) to leave your lover		There must be fifty ways to leave your lover	
You just slip out the back, Jack		Fifty ways to leave your lover	
(5) a new plan, Stan		You just slip out the back, Jack	
You don't need to be coy, Roy		Make a new plan, Stan	
Just get yourself free		You don't need to be coy, Roy	
Hop on the bus, Gus		Just get yourself free	
You don't need to discuss much		Hop on the bus, Gus	
(6) drop off the key, Lee		You don't need to (10) much	
And get yourself free		Just drop off the key, Lee	
Oh slip out the back, Jack		And get yourself free	
Make a new plan, Stan		Slip out the back, Jack	
ou don't (7) to be coy, Roy		Make a new plan, Stan	
Just (8) to me		You don't need to be coy, Roy	
Hop on the bus, Gus		Just listen to me	
You don't need to discuss much		Hop on the bus, Gus	
Just drop off the key, Lee		You don't need to discuss much	
And get yourself free		Just drop off the key, Lee	
She said it grieves me so		And get yourself free	
to see you in such pain			
I wish there was something			

- 1. your
- 2. really
- 3. fifty
- 4. ways
