

Happy just to be there holding your face

Fill in the gaps

(1) a whole another conversation	Beam me up
going on	Let me be lighter
In a parralell universe	I'm tired of being a fighter
Where nothing breaks and (2) hurts	I think a minute's enough
There's a (3) playing frozen in time	Just beam me up
Blades of grass on tiny bare feet	In my head I see your (17) blues
I look at you and you're looking at me	I hear your (18) and I
Could you beam me up?	I (19) in two and now there's
(4) me a minute	One of me with you
I (5) know what (6) say in it	So when I need you, can I send you a sign?
I'd probably just stare	I'll burn a candle and (20) off the lights
Happy just to be there holding your face	I'll (21) up star and watch you shine
(7) me up	(22) beam me up
Let me be lighter	Give me a minute
I'm tired of being a fighter	I (23) what I'd say in it
I (8) a minute's enough	(25) probably just stare
Just (9) me up	Happy (26) to be there (27)
Saw a blackbird soaring in the sky	your face
Barely a breath I (10) one last sight	Beam me up
Tell me that was you (11) goodbye	Let me be lighter
There are times I (12) the shiver and cold	(28) tired of being a fighter
It only happens when I'm on my own	I think a minute's enough
That's how you (13) me I'm not alone	Beam me up
Could you beam me up?	Beam me up
(14) me a minute	Beam me up
I don't know (15) I'd say in it	Could you (29) me up?
I'd probably (16) stare
