\_\_\_ flat on my face,

That's life, that's (1) all the people say.	I (7) of quitting baby,
You're riding high in April,	But my heart just ain't gonna buy it.
Shot down in May	And if I didn't think it was worth one single try,
But I (2) I'm gonna change that tune,	I'd jump right on a big bird and then I'd fly
When I'm back on top, back on top in June.	I've (8) a puppet, a pauper, a pirate,
I said that's life, and as funny as it may seem	A poet, a pawn and a king.
Some people get their kicks,	I've been up and down and over and out
Stompin' on a dream	And I know one thing:
But I don't let it, let it get me down,	Each time I find myself (9) flat on my face
'Cause this fine ol' world it (3) spinning around	I just pick myself up and get back in the race
I've (4) a puppet, a pauper, a pirate,	That's life
A poet, a (5) and a king.	That's life and I can't deny it
I've (6) up and down and over and out	Many times I thought of cutting out
And I know one thing:	But my heart won't buy it
Each time I find myself, flat on my face,	But if there's nothing shakin' (10) this here july
I pick myself up and get back in the race.	I'm gonna roll myself up in a big ball and die
That's life	My, My
I tell ya, I can't deny it,
