You're riding high in April,	But my heart just ain't (13) buy it.
Shot (3) in May	And if I didn't think it was worth one single try,
But I know I'm gonna change that tune,	I'd jump right on a big bird and (14) I'd fly
When I'm back on top, back on top in June.	I've been a puppet, a pauper, a pirate,
I said that's life, and as (4) as it may seem	A poet, a (15) and a king.
Some people get their kicks,	I've (16) up and down and over and out
Stompin' on a dream	And I know one thing:
But I don't let it, let it get me down,	Each time I (17) (18) laying flat or
'Cause this fine ol' world it keeps spinning around	my face,
I've been a puppet, a pauper, a pirate,	I just pick myself up and get (19) in the race
A poet, a (5) and a king.	That's life
I've been up and (6) and (7) and out	That's (20) and I can't deny it
And I know one thing:	Many (21) I thought of (22)
Each (8) I (9) myself, flat on my face,	out
I pick myself up and get (10) in the race.	But my heart won't buy it
That's life	But if there's nothing shakin' (23) this here july
I (11) ya, I can't deny it,	I'm gonna (24) (25) up in a big
	(26) and die
