

Fill in the gaps

Made a wrong turn, (1) or twice	The whole world stares
Dug my way out, blood and fire	while I swallow the fear
Bad decisions, that's alright	The only thing I should be drinking is an ice (6)
Welcome to my silly life	beer
Mistreated, misplaced, misunderstood	So cool in lying and we tried, tried, tried
Mis, no way it's all good,	But we try too hard,
it didn't slow me down	it's a waste of my time
Mistaken, always second guessing	Done looking for the critics
Underestimated, look, I'm still around	because they're everywhere
Pretty, pretty please, don't you ever, ever feel	They don't like my genes, they don't get my hair
Like you're less than, fucking perfect	Strange ourselves
Pretty, pretty please, if you ever, (2) feel	and we do it all the time
Like you're (3) you are fucking perfect to	Why do we do that? Why do I do that?
me	Why do I do that?
You're so mean when you talk	Yes, I'm pretty, pretty, pretty
About yourself, you are wrong	Pretty, pretty please, don't you ever, ever feel
Change the (4) in your head	Like you're less than, fucking perfect
Make them like you instead	Pretty, pretty please, if you ever, ever feel
So complicated, look how big you'll make it	Like you're nothing, you are fucking perfect to me
Filled with so (5) hatred, such a tired game	You are perfect, you're (7)
It's enough, I've done all I can think of	Pretty, pretty please if you ever, ever feel
Chased down all my demons, see you do the same	Like you're less than, (8) perfect
Pretty, pretty please, don't you ever, ever feel	Pretty, pretty please if you ever, ever feel
Like you're less than, fucking perfect	Like you're nothing, you are perfect to me
Pretty, pretty please, if you ever, ever feel	
Like you're nothing, you are fucking perfect to me
