# SUB inglés

Run through the day till the end of the night

### Fill in the gaps

### Best days of our lives by Right The Stars

Running (1) the street	The sun keeps coming up in your (7) eyes
(2) your hair's on fire	These are the best days of our lives
Thoughts running fast	Best days of our lives
Like a man on a wire	Best days of our lives
Can't stop laughing but I don't know why	Running down the street
(3) know why nobody knows why	Like your hair's on fire
Shouldn't wait for the weather to change	Thoughts running fast
Everyday from (4) on out	Like a man on a wire
Got the top down top down	(8) stop laughing but I don't know why
Strap on your shoulder running down you	No I don't know why nobody knows why
Like an ice cream cone	Can't help but feel all right
We're not alone (5) gonna be alone	Run through the day till the end of the night
Can't help but feel all right	The sun keeps coming up in your blue eyes
Run through the day till the end of the night	Never gonna be alone
The sun keeps coming up in your blue eyes	Can't help but feel all right
(6) are the best days of our lives	Run through the day till the end of the night
Mind aches silent	And the sun keeps coming up in your blue eyes
What's your meaning?	These are the best days of our lives
Don't understand but the sea is in me	(9) (10) of our lives
Music so loud and it keeps repeating	Best days of our lives
Repeating repeating never gonna go home	Best days of our lives
Can't help but feel all right
