Rihanna speaking:	Shine a light through an open door
"It's (1) screaming and no one can hear.	Love and life I will divide
You always feel (2)	Turn away cause I (8) you more
that someone could be that important	Feel the heartbeat in my mind
(3) without them, you feel like nothing.	It's the way I'm feeling
No one will ever understand how much it hurts.	I just can't deny
You feel hopeless, like nothing can save you.	But I've gotta let it go
Then when it's over, then it's gone,	We found love in a hopeless place
you almost wish you could (4) all that bad	We found love in a hopeless place
(5) back,	We (9) love in a hopeless place
so that you can have the good.	We found love in a (10) place
	Yellow diamonds in the light
Yellow diamonds in the light	And we're standing side by side
And we're (6) side by side	As your shadow crosses mine
As your shadow crosses mine	We found love in a hopeless place
What it takes to come alive	We found love in a hopeless place
It's the way I'm feeling	We found love in a hopeless place
I just can't deny	We found love in a hopeless place
But I've (7) let it go	(bis)
We found love in a hopeless place	
We found love in a hopeless place	
We found love in a hopeless place	
We found love in a hopeless place
