Fill in the gaps

When I look you in the lies	Praying to a God I don't think exist
Something deep inside me dies	Will you listen now?
Because I know you won't get better, better, better	Can you forgive me somehow?
You'd rather be (1) than be loved	This time I'll be different, I (3) you,
The only thing I've understood	This (4) I'll be special, you know I will,
Nothing's ever good enough	Just don't leave with me in your eyes.
I stumble (2) the words as they're leaving	This time I'll be better, I want you to know,
me	This (5) I'll be special, oh God, make it so,
Tremble at the sight of your majesty	Just don't leave with me in your eyes, your eyes, your eyes
And I cut myself just to get them out	Closer now to the end
This time I'll be different, I promise you	If love was the answer
This time I'll be special, you know I will	Then hope was the question
Just don't leave with me in your eyes	(6) now, let's pretend
This time I'll be better, I want you to know	We've never been out here before
This time I'll be special, oh God, make it so	This time I'll be different, I (7) you
Just don't leave with me in your eyes, your eyes, your eyes	This time I'll be special, you know I will
You took my youth, you took my health	Don't leave (8) me in your eyes
And if you're not here I'll fight myself	This time I'll be better, I want you to know
You're supposed to make this better, better, better	This time I'll be special, oh God, make it so
No self-control and no reason why	(9) don't leave with me in your eyes, your eyes
And if I don't change, then we both die	your eyes
This is it for you and I	
Blisters at the end of my fingertips
