

Fill in the gaps

(1) I (2) you in the lies	Praying to a God I don't think exist
Something deep inside me dies	Will you listen now?
Because I know you won't get better, better, better	Can you (13) me somehow?
You'd rather be (3) (4) be loved	This time I'll be different, I promise you,
The only thing I've understood	(14) (15) I'll be special, you know I will,
Nothing's ever good enough	Just don't leave (16) me in your eyes.
I stumble (5) the words as they're leaving	This time I'll be better, I want you to know,
me	This time I'll be special, oh God, make it so,
Tremble at the sight of (6) majesty	Just don't leave (17) me in (18) eyes,
And I cut myself just to get them out	your eyes, your eyes
This time I'll be different, I promise you	(19) now to the end
This time I'll be special, you (7) I will	If love was the answer
Just don't leave with me in your eyes	Then hope was the question
This time I'll be better, I want you to know	Closer now, let's pretend
This time I'll be special, oh God, make it so	We've never (20) out here before
(8) don't leave with me in your eyes, your eyes,	This time I'll be different, I promise you
(9) eyes	This time I'll be special, you (21) I will
You took my youth, you took my health	Don't leave with me in (22) eyes
And if you're not here I'll fight myself	This (23) I'll be better, I want you to know
You're (10) to make this better, better,	This time I'll be special, oh God, make it so
better	(24) don't (25) with me in your eyes,
No self-control and no reason why	your eyes, your eyes
And if I don't change, (11) we both die	
(12) is it for you and I	
Blisters at the end of my fingertips
