Call your girlfriend by Robyn

Explain how it's so different when we kiss

Fill in the gaps

Call your girlfriend	You just (9) her that the only way
It's time you had the talk	Her heart will mend
Give your reasons	Is when she learns to love again
Say it's not her fault	And it won't make (10) right now
But you just met somebody new	But you're still her friend
Tell her not to get upset	And then you let her down easy
Second guessing (1) you	Call your girlfriend
(2) and done	It's time you had the talk
And then when she gets (3)	Give your reasons
Tell her how you never (4) to hurt no one	Say it's not her fault
Then you tell her that	But you just met somebody new
The only way her heart will mend	And now it's gonna be me and you
Is (5) she learns to love again	And you tell her that the only way
And it won't make (6) (7) now	Jer heart will mend
But you're (8) her friend	Is when she learns to love again
And then you let her down easy	And it won't make sense right now
Call your girlfriend	But you're still her friend
It's time you had the talk	And then you let her down easy
Give your reasons	Call your girlfriend
Say it's not her fault	It's time you had the talk
But you just met somebody new	Give your reasons
Don't you tell her	Say it's not her fault
How I give you something	But you just met somebody new
That you never even knew you missed	
Don't you even try	

1. everything
