Call your girlfriend	You just tell her that the only way
It's time you had the talk	Her heart will mend
Give your reasons	Is when she learns to love again
Say it's not her fault	And it won't make (6) right now
But you just met somebody new	But you're still her friend
Tell her not to get upset	And then you let her down easy
Second guessing everything you said and done	Call your girlfriend
And then when she gets upset	It's time you had the talk
(1) her how you never (2) to hurt no	o Give your reasons
one	Say it's not her fault
Then you (3) her that	But you just met somebody new
The only way her heart will mend	And now it's gonna be me and you
Is when she learns to love again	And you tell her that the only way
And it won't make sense right now	Jer heart will mend
But you're still her friend	Is when she learns to love again
And then you let her (4) easy	And it won't make (7) right now
Call (5) girlfriend	But you're still her friend
It's time you had the talk	And (8) you let her down easy
Give your reasons	Call (9) girlfriend
Say it's not her fault	It's time you had the talk
But you just met somebody new	(10) your reasons
Don't you tell her	Say it's not her fault

That you never even knew you missed
