

Fill in the gaps

It must have been love (BSO Pretty Woman) by Roxette

It must have been love	It was all (11) I wanted, now I'm living without
But it's over now	It (12) have been love but it's over now
Lay a whisper on my pillow	It's (13) the water flows
Leave the winter on the ground	It's (14) the (15) blows
I wake up lonely	It must (16) (17) love but it's over now
there's air of silence in the bedroom and all around	It must have (18) good but I (19) it
Touch me now, I close my eyes and dream away	somehow
It must have been (1) but it's over now	It must have been (20) but it's over now
It must have (2) good but I lost it somehow	From the moment we touched
It must have been (3) but it's over now	Till the (21) had run out
(4) the moment we touched	It must (22) been love but it's (23) now
(5) the time had run out	It was all (24) I wanted, now I'm living without
(6) believing we're together	It must have (25) love but it's over now
That I'm sheltered by your heart	It's where the water flows
But in and outside	It's (26) the wind blows
I've turned to water like a teardrop in (7) palm	It must have been love but it's over now
And it's a (8) winter's day I dream away	It must have been love but it's over now
It must have (9) love but it's (10) now
